Event	**Seminar on career after pharm. D**
Date of Event	**26th November 2024**
Speaker	**Mr. Nitesh Viramgama (CPE gold medalist)**
Venue	SIMSR lecture Hall, Swaminarayan University
Participants	**100+ Pharm. D Students**

Event Objective:

The seminar began with a brief introduction to the Pharm D program and its scope. The speaker emphasized the importance of a Pharm D degree in the modern healthcare ecosystem, highlighting the role of pharmacists in improving patient care, medication management, and therapeutic interventions.

Description of seminar:

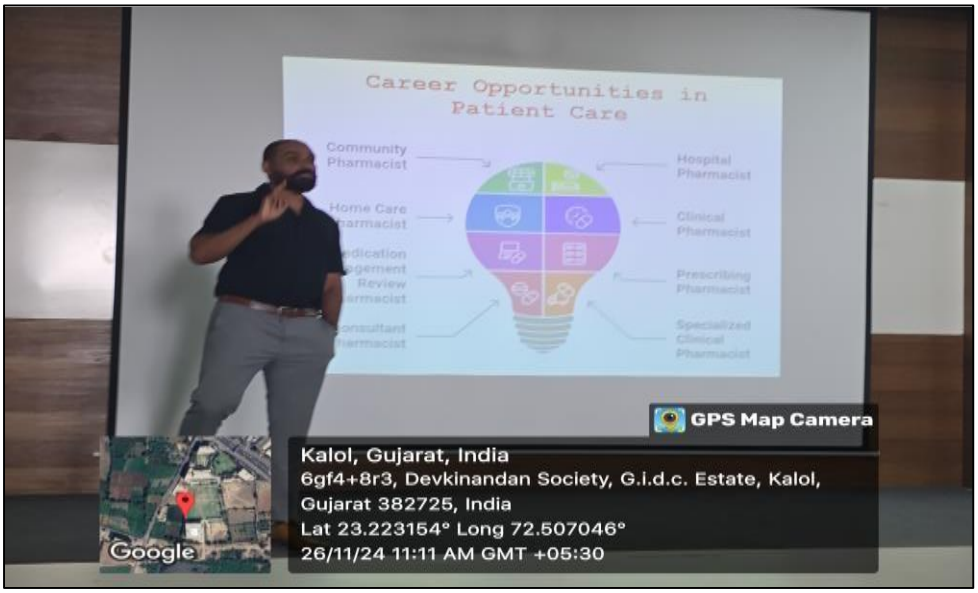

A guest lecture was held on 26th November 2024 at the SIMSR lecture hall, where Mr. Nitesh Viramgama CPE gold medalist member of APSA, member of the American college of clinical pharmacy USA, member of pharmaceutical society- AUS, delivered an insightful session. His lecture focused on career options after Pharm.D. The seminar aimed to provide Pharm D students and graduates with a comprehensive overview of career opportunities and professional paths after completing their Doctor of Pharmacy (Pharm D) degree. This event was designed to enlighten attendees about the various career options in the pharmaceutical and healthcare industry, beyond traditional pharmacy roles

The session was highly interactive, with many students actively engaging during the Q&A segment. They expressed their appreciation for the practical guidance offered by Mr. Nitesh Viramgama, particularly his down-to-earth approach and relatable experiences from his professional journey.
