CONSTITUTION OF WOMEN DEVELOPMENT CELL

SHREE SWAMINARAYAN PHYSIOTHERAPY COLLEGE

The duty of this committee is to challenge the culture of silence that perpetuates acts of violence against women, whether on or off campus. The committee, on the other hand, must be aware of the prevalent masculine norms and practices in educational institutions, which posed a significant barrier to the effective implementation of policies aimed at combating sexual harassment and gender-based violence in higher education institutions (HEIs). It was therefore imperative that HEIs emerged from the denial mode and acknowledged the prevalence of sexual harassment on campuses, as a multidimensional redress mechanism. Following committee members are appointed as members of Women development cell with immediate effect till further orders.
