Program Specific Outcomes (PSOs)

B.A. (Honours) Political Science

PSO 1: Students will acquire comprehensive knowledge of core political concepts, theories, and ideologies, enabling them to critically analyze political institutions and processes at national and global levels.

PSO 2: Students will develop a clear understanding of Indian political system, Constitution, public administration, and governance, with the ability to evaluate democratic practices and public policies.

PSO 3: Students will gain analytical skills to study comparative politics and international relations, understanding global power structures, diplomacy, and international organizations.

PSO 4: Students will be able to apply theoretical frameworks to interpret contemporary political issues such as democracy, human rights, development, and political participation.

PSO 5: Students will enhance research, writing, and presentation skills**,** including the use of qualitative and quantitative methods in political analysis.

PSO 6: Students will develop critical thinking and logical reasoning abilities to assess political arguments, policy decisions, and ideological debates.

PSO 7: Students will cultivate civic responsibility, ethical awareness, and leadership qualities, preparing them for active participation in democratic and social institutions.

PSO 8: Students will be prepared for higher education, competitive examinations, and careers in civil services, academics, research, public policy, journalism, NGOs, and related fields.
