SU/ Notification/ 2026/529 Date: 01.09.2026

Notification

Sub: Establishment of Faculty of Skill and Vocational studies, Swaminarayan University from Ay 2026-27-reg

Ref No: Proposal submitted by the Dean, Faculty of Skill and Vocational studies

Vocational and skill-based education provides hands-on training and practical knowledge that prepare individuals for specific trades and in-demand careers.

Key Benefits of Vocational Skills:

Practical Experience: Students learn real-world tasks using actual tools rather than only studying theory.
Faster Employment: Programs are shorter than traditional degrees, allowing graduates to enter the workforce quickly.
Economic Growth: Training creates a skilled workforce that fills industry gaps and reduces unemployment.
Affordability: Vocational courses generally cost less than multi-year university education.
Entrepreneurship: Programs foster problem-solving abilities and a mindset suited for starting independent ventures.
